
S&P Global Ratings

Policy: Withdrawals, Suspensions, Discontinuances, and Conversions

Date: 23 May 2016

Policy Statement

S&P Global Ratings may, consistent with applicable regulatory requirements, withdraw or suspend a Credit Rating at any time in its sole discretion. S&P Global Ratings determines the timing of both the withdrawal or suspension of a Credit Rating and the issuance of related notices.

S&P Global Ratings may withdraw a Credit Rating at the request of an Issuer, but under no circumstances will an Issuer's request to withdraw a Credit Rating avoid an imminent rating change. S&P Global Ratings may elect to convert that Credit Rating into an Unsolicited Credit Rating rather than to withdraw the Credit Rating.

When S&P Global Ratings withdraws or suspends a Credit Rating, S&P Global Ratings generally issues a notice in the same manner in which the original Credit Rating was issued (i.e., for a public Credit Rating, S&P Global Ratings will post the notice on its website; and for a Private Credit Rating, S&P Global Ratings will notify the party that requested the Credit Rating or post a notice through the secured website established for the Credit Rating, as appropriate).

Finally, S&P Global Ratings discontinues a Credit Rating on an obligation when the obligation is paid in full in accordance with its terms and in certain other circumstances. S&P Global Ratings generally does not publicly announce discontinuances of Credit Ratings but denotes the discontinuances in its ratings databases and public website.
