Notice under Regulation 1060/2009/EC as amended – Common Holdings of 10% and more in CRAs and Rated Entities

Quarterly public filings under U.S. SEC Regulation 13 show that as at September 30th, 2018, no person owns or controls ten per cent (10%) or more of the issued stock of S&P Global Inc., the NYSE listed public company which indirectly wholly owns and/or controls S&P Global Ratings Europe Limited.

¹ The information relating to the 5% or greater holders of S&P Global Inc. is based upon publicly available information. Therefore, while S&P Global Inc. is able to identify the holders of record of its outstanding common stock, it may not know the identity of the underlying owner of the shares, as the stock may be held in the name of the underlying owner's broker-dealer.

² This information is updated quarterly; for more current information please consult the U.S. Securities and Exchange Commission's website at www.sec.gov.
